stack the method
cards and flip
through them.

[illegible]

A grid of 100 circles, each containing horizontal lines, representing a data visualization or a template for a report. The circles are arranged in a 10x10 grid. Each circle contains a series of horizontal lines, which are more densely packed in the center and become sparser towards the edges, creating a radial gradient effect. The lines are light gray and the background is white.
